Dear Tanya,

We enjoyed your concert in Reno last night at the Atlantis. You still have that voice that drives me wild!

I was a senior in high school when you hit the charts with Delta Dawn.....some memories never die!

Please accept the T-shirt and gifts as a way to remind you of how to get rid of the Blues! My way! The highway!

I turned 50, along with Corvette in 2003. I ordered a 2003 Corvette ZO6 and drove it from Bowling Green, Kentucky to Nashville, Tennessee, by way of ALL 50 states, in 63 days, 22,796 miles! Including Alaska and Hawaii! Check it out: all50corvette.com

The Corvette Birthday party was in Nashville, TN. Had a great time! Still do!

After the concert last night, we tried to get your autograph before they swept you off stage

Please, if you could, sign one of the T-Shirts and send it back in the enclosed envelope. I would really appreciate it!

Thank You!

Sincerely,

Ray Ehly, Jr.
